Note: Hand Entry Forms are also posted at: www.providenceswimcamp.com. **Should you have a swimmer that needs to swim in 2 meets but has not (due to a weather cancellation) and have a meet scheduled the first week of August, please enter that swimmer, highlight their name, and bring a copy of that meet with you on Sat. Aug 5th for us to verify qualifications.**

Notice that there are two types of swimming Entry Forms: Individual Events and Relay Events. **Relay events must not be written on the Individual Event Entry Form.** For the Individual Event Entry Form, enter the SWIMMER'S NAME in Last Name, First Name order followed by swimmer's sex, age, event number (from the enclosed EVENT SCHEDULE) and entry time for the event. **NOTE: If a swimmer will be swimming relay events only, enter the swimmer information on the Individual Entry Form as well, leaving the event numbers and entry time blank.**

To Hand Enter relay events, use the Relay Event Entry Form and enter your club's initials under TEAM, the relay letter designator (A, B, C, etc.) under LETTER, team's sex, age group, event number and entry time for the event. **Please note: Relay Swimmer names do not need to be included and can be submitted Sunday at the meet.**

Put your club's initials, phone number and page number at the bottom of each Form. You can enter each swimmer in up to two individual events and one relay. Each swimmer must swim in two meets during the regular meet season to be eligible to swim in the All-Pool meet. They may also compete in the Diving Championship. Should there be any questions regarding your completed entry information, we will contact you at the phone number you have listed on your entry form. Please make sure to bring a hardcopy of your entries to the day of the meet.

The pool will be open at 7:00 a.m. Please refer to the listed warm-up time sheet for you club's assigned warm-up lanes and times. Each club is responsible for the behavior of its swimmers and must police its own area. No glass containers are allowed in the club. Parents should bring their own stop watches and be prepared to time. Each club will be assigned a lane to time or other responsibilities during the meet. Please refer to the attached sheet for you club's assignments.

The Diving Championships will be held at the Grist Mill Swim & Tennis Club on Friday, August 4th at 9:00 a.m. Diving will run as final events. REMINIDERS:

- *To run this meet efficiently, it is necessary to have each club participating. 2 timers with watches are a must! If you club needs to supply runners to pick up time sheets or be back-up timers, then they will report to the announcer's table at the beginning of their shift.*
- *To avoid confusion, we will run the meet "rain or shine." Only thunder will delay the meet. If your club does not show for their assigned duties then your club will forfeit all remaining swimmers scheduled to compete.*
- *We have many teams that go beyond their required commitments and feel that our request for parent cooperation is only fair!*
- Teams using Hy-Tek are asked to e-mail their entries to Roger Mooney at rmooney4@live.com by midnight, July 29th. Please include the Team Letters (i.e., ARVC) in the subject line. Teams not able to do so can drop off their typed hand entries to: Sandy Gorham at Kendbrin no later than 4PM, July 29th.

Please note:

The relays will be run as timed finals on Sunday. Submitted times should reflect an ***honest*** estimate. Swimmers can swim up to 3 events, with a max of 2 individual events. Only 3 relay teams from any one club may score points in each relay event.

In addition, during the finals, only the top four individuals from a team score points. After these four, no points will be earned but medals will be awarded.
